Promotional Items

Promotional gifts have become far more than just a growing trend in event marketing or just a tool for brand awareness. Companies are discovering that the benefits are widespread, allowing you to get your brand's name out there in the most appropriate and unique ways. Corporate products are a greatly effective way to reward, thank or inspire employees, customers or potential customers – while still educating and informing people about your brand. Account Management

We like to think that our Account Managers are as unique as their clients; exceeding expectations and going above and beyond the call of duty. They can be considered an extension of your team; working closely to develop a deeper understanding of what works for your brand as well as coordinating our internal resources, managing service levels, monitoring performance and at all times advocating your brand values. Brand Addition's Account Managers provide professional and reliable advice, utilizing their in-depth industry knowledge to develop solutions that perfectly reflect your business.
